08:30 to 12:00 Case Studies of Terrorism  
12:00 to 12:30 Closing Remarks

### Scene Workshops

Collecting Data at the Scene: How Can it be  
Used?  
Effectively Presenting your Report for  
Prosecution  
Computational Fluid Dynamics

### Laboratory Workshops

Case Study: A Bombing in Fremont, CA.  
TWGFEX Explosives protocols: A menu  
approach  
New Instrumental Methods

### Presented Papers

Investigators and Laboratory Experts are  
invited to submit papers of original research or  
case studies that will enhance the theme of the  
symposium. A separate Call for Papers must  
be completed and abstract attached. The  
deadline for submission is August 1, 2002. The  
symposium committee reserves the right to  
review and select the papers for presentation.  
Presentations should be limited no more than  
20 minutes in length

### Posters and Interesting Cases

Individuals interested in posting cases or  
analyses for review and comment by peers at  
the symposium on the evening of Wednesday  
10/16 are asked to indicate so on their  
registration. Only those items indicated on  
registrations received prior to September 15  
will be considered.

The Symposium Organizers have contracted a block of  
rooms at the participating hotel at a reduced rate. For  
guaranteed hotel pricing, reservations should be made by  
September 15, 2002. Specify "TWGFEX Symposium".

### Symposium Registration:

Please Print or Type:

Name \_\_\_\_\_

Agency \_\_\_\_\_

Address \_\_\_\_\_
